Highlights

Detachable internal case
Because sometimes a slim sleeve is all you need for protection on the go, the internal case is detachable for a quick on-the-go solution that fits easily in your bag or backpack.

Easily change viewing modes
The detachable inner case can be set up in either portrait or landscape mode for the most versatile hands-free viewing.

Formed for viewing angles
The internal padding of the case is formed into subtle ridges, giving you multiple options for your ideal viewing angle.

Padded body protects display
This case features a plush, padded body designed especially to protect the fragile front display of your device.
